

學習科學與科技中心  
CENTRE FOR LEARNING SCIENCES AND TECHNOLOGIES

9th August, 2021

To whom it may concern,

**Letter of Certification**

This is to certify that **FONG, King Yui** served as Mentor in the “Mentorship Programme” under “Jockey Club Community Care and STEM in Action Project” organized by the Centre for Learning Sciences and Technologies, The Chinese University of Hong Kong.

As an educational STEM and action-based initiative, the project aims to help secondary school students build a strong sense of community care and gain insights into how technology can be used to design innovative products for resolving the difficulties faced by the underprivileged.

**Service Year:** 2020-2021

Through our working relationship, we came to appreciate the passion, commitment and attention to details etc. that Mr. Fong showed for his work.

We believe that Mr. Fong will do a great job wherever you put him in your organization.

Professor JONG Siu Yung, Morris  
Principal Investigator
